

Community Wills Day

Client Information Brief

(PREPARED BY CLIENT)

To help in the preparation of your Will, please complete this client information brief, which you will need to pass to the solicitor at the Wills Day. If you are unable to answer all the questions, the solicitor will be able to assist you. The information in this form is for the solicitor only and will not be made available to The Salvation Army.

Please note

Community Wills Days cover **simple Wills only**.

- This is usually from one spouse/partner to another, from a parent to children, or from one person to another.
- Spouse/partners must have separate Wills.
- Requests for repeated amendments to the Will prior to signing may incur a fee being charged by the solicitor.
- Community Wills Days do not include the preparation of Wills where a great amount of property, trusts or complex legal matters such as business assets, overseas assets, self-managed superannuation or life insurance exist (in this case, clients are advised to arrange a special appointment with a solicitor).
