From all of us at
Salvation Army Housing We
would like to wish you all a
wonderful Christmas
And
Happy New Year

SAH Census—updating your personal information

We recently sent you a Census form to fill in for our records, if you have not done this then please do so as soon as possible and return to Salvation Army Housing.

SAH and Centrelink—Updating Authorities

Thank you to those who have signed and returned the updated SAH and Centrelink Authorities. Please remember that if you agreed for SAH to add or change your Centrepay Deductions and then you change them yourself with Centrelink, SAH are no longer allowed to change it on your behalf. You would need to resign an authority to grant us permission again.

Also, Centrelink have made an alteration to Centrepay Deduction permissions. If you need to pay more than your fortnightly rent to pay for rent arrears, you will now need to sign a new form for that extra amount.

SAH Maintenance:

Please do not wait for your property inspection to report maintenance or faults. Please provide your current contact number when requesting maintenance. If a contractor leaves a message for you, please return the call within 24 hours. If you have arranged a time and day for a contractor to attend and you do not keep that appointment, you will be charged the standard call out fee. This fee varies depending on the contractor.

Christmas Cake:

Ingredients

- 1 kg mixed fruit
- 600 ml iced coffee (see notes)
- 2 cups (250g) self-raising flour

Instructions

1. Place the mixed fruit into a large bowl. Add the iced coffee and mix well. Cover with plastic wrap and place in the fridge overnight.
2. Preheat oven to 160 degrees celsius (fan-forced). Grease and line a 23cm cake tin with baking paper and set aside.
3. Stir the self-raising flour through the fruit mixture and pour into the prepared tin.
4. Bake for approximately 1 hour (see notes) or until the cake springs back when touched in the middle.

Recipe Notes

This recipe needs to be started 1 day in advance to allow the fruit to soak overnight.

You can substitute the iced coffee with chocolate milk, fruit juice, black tea or ginger ale.

Check the cake after 1 hour to see if it is cooked. It may need a little longer (mine took 1 hour 15 minutes).

This cake can be stored in an airtight container at room temperature for up to 3 weeks.
