Maintenance over Christmas and New Years

Salvation Army Housing has an arrangement with our Electrician and Plumber to attend to after hours **urgent essential services repairs**.

A tenant may call the Plumber or Electrician directly, while our office is closed for the following issues;

- Electricity
- Gas
- Water, including hot water
- Sewage

Electrician - Peter Barker 0418 921 261

Plumber - Richard Bolty 0418 912 529

If you directly call a tradesperson and the issue isn't urgent, or if you call them during business hours, you may be charged for the call out.

All regular maintenance issues will be attended to in the new year when our office returns to normal business hours.
