

Spring Edition 2020

Spring Edition 2020

Salvation Army Housing office is now open and we have recommenced tenancy and property inspections. We have also reinstated the actioning of all maintenance works inside and outside the home. These updates to our service delivery and business operations have carefully considered the safety, health and wellbeing of tenants, staff, contractors and the broader community. Salvation Army Housing has developed a range of protocols to ensure the health and safety of tenants, staff and contractors. We ask that tenants respect and adhere to these protocols so we can ensure they are effective in keeping us all safe and healthy.

SOCIAL DISTANCING AND HYGIENE MEASURES

When entering your home, our staff and contractors will;

- practice safe distancing at all times and, if we cannot, we will not enter the property;
- sanitise our hands before we enter your property;
- minimise touching of surfaces;
- carry out tasks as quickly as possible; and
- not visit if we are sick.

Green Thumb Collective

Join a welcoming and relaxed gardening group to grow fresh fruit, vegetables and herbs at the Southern River Community Garden.

Your involvement will support the creation of a bountiful edible garden that supplies the Grow and Share cart at the Addie Mills Centre.

Days and times are flexible to suit you and the gardens needs, with a regular group catch-up once a month.

Please contact 9391 6038 for more information on how to get involved.

This group is suitable for City of Gosnells residents aged 55+.
