## Support for Extension of Royal Commission into Institutional Responses to Child Sexual Abuse

The Salvation Army supports an extension of the Royal Commission into Institutional Responses to Child Sexual Abuse.

Since the commencement of the Royal Commission in January 2013, The Salvation Army has been co-operative, and supportive of the Commission. The organisation has always worked openly and transparently with the Royal Commission looking at past historical abuse committed by former Salvation Army personnel.

The Salvation Army has also welcomed discussions and dialogue on a national redress scheme raised by the Royal Commission.

The Salvation Army encourages anyone who was abused in any way to contact our Professional Standards Office via **Salvo Care Line** on 1300 36 36 22 or at [psa@ae.salvationarmy.org](mailto:psa@ae.salvationarmy.org).
